Home Visits

If you cannot travel to me for a private session, **I can come to you**, and will travel anywhere to meet with you. The additional cost for this service is travel expenses charged at 50 pence per mile and £45 per hour on top of the normal session fee. For distances over 100 miles, this will include additional accommodation expenses.

Payment methods:

Cash or Credit/Debit card. Cheques no longer accepted. Prices are per person, and inclusive of any handouts and CDs. *There are no surcharges for card payments.*

Sessions are time limited, and time will be deducted if you arrive late. Card details may be required to secure your appointment.

Cancellations:

My time and your time is precious. When you book an appointment I set aside time for you and I don't offer that time to anyone else. I only cancel my appointments in the event of illness, bereavement or other such circumstances. Once booked, **you are required to give at least 24 hours notice of cancellation for daytime appointments and 48 hours notice for evening appointments.** Cancellation must be by phone/voicemail and not by email or SMS text message. As I am not able to refill such appointments, late cancellations will always incur a charge 50% of the session fee and the full fee for missed appointments.

Late Arrival:

If you are running late I appreciate a quick call or a text message to let me know (providing it is safe for you to do so). If you arrive late for your appointment the time will normally be deducted as I am not able to overlap appointments, and the full rate is payable for the session. If you arrive more than 20 minutes late the session will be treated as a failure to attend as there would not be time to do any therapeutic work. In these circumstances I charge 50% of the session fee provided you reschedule the appointment.
